

# 2025 ANNUAL REPORT

# WE DID IT!

As we close the year 2025, Honduras Compassion Partners (HCP) is grateful to reflect on an extraordinary season of impact in the city of La Paz. Guided by our mission to build a community of people empowered through education, service, and transformational relationships, these twelve months have been filled with powerful moments of growth, hope, and lasting change.

Thanks to the unwavering commitment of our staff, volunteers, donors, and local partners, we've been able to meet vital needs, empower individuals, and uplift entire communities. Here's a look at what your support made possible in 2025:

Her hands are visible as she works on the intricate patterns of the tapestry. The background is a dark, out-of-focus landscape.
